Students Honor Ortega, Melgoza

The Homecoming of 1987 was a memorable one for many people. Carlos Ortega and Rose Melgoza were chosen as the Homecoming King and Queen. Mr. Sal Naravo was selected as the Grand Marshal. This year, there were eleven Top boys due to a tie; they were Matt Curtis, Manuel Misquez, Carlos Ortega, Darren Foreman, Wayne Gantt, Gerald Blotz, Aaron Meadows, Jason Gursky, Jason Titone, Paul Fejes, and David Martin. The Top Ten Girls were Brooke Lunsford, Melody Baldwin, Carmen Martinez, Rose Melgoza, Christy Price, Anne Gerry, Christine Coelho, Michelle Stranahan, Heather Hopkins, and Katy Ladd. The winning float was the sophomore's entry, "Devout the Dons".

The Sophomore Class continue their tradition of successful floats with their first place entry, "Devour the Dons" Last year the sophomotes came in second

To the tune of "Let Me Call You Sweethart", King and Queen Carlos Ottega and Rose Melgoza tecieve their trophies as their proud parents look on.

Christy Price and Melody Baldwin, members of the Queen's court, tide on their ruyal coach in the Homecoming Parade. Both girls were in the Top Five

The Top Eleven wait anxiously for the Homecoming King to be announced. This year, the football fearn members wore their jerseys instead of their jackets to show that they did not forger about the Homecoming game because of their Top Ten nominations.

Standing on Ohmstede Field, Queen Rose Melgoza and her attendants wait for the game to begin.

Trying to keep warm, Brooke Lunsford, Christy Price, and Melody Baldwin huddle under blankets.

The Homecoming Top Eleven boys pose for the photographer on Homecoming Day. This year was the first time ever that there was a tie for the Top Ten. The top five boys were Matt Curtis, Manuel Misquez, Carlos Ortega, Darren Forman, and Wayne Gantt.

miling King and Queen Carlos Ortega and Rose Melgoza pose for the camera after the Iomecoming Rally. Carlos and Rose were also the Sophomore/Junior Prom King and Jucen. This is the first time ever that this has happened.

Showing off her spirit, this young hippie girl participates in in the Nerd/Scum/Hippie Day of Spirit Week. This year, Spirit Week lasted only four days because of a teacher work-day on Monday.

Members of the Senior Class Duane Grabner, Doug Roderick, and Jason Washburn show off their spirit on Homecoming Day.

All dressed up, and no place to go? Rachelle Diaz and Christine Coelho participate on Pajama Day.

Jill Hampton and Jason Hensel try to keep warm during the Homecoming Game. That October night was cool, and the wind chill factor made it seem as if it was a lot colder. It also sprinkled during the game.

Lining up for the tug-of-war, this young student displays her many buttons. The Rally Squad sold these buttons during Homecoming Week. The Rally Squad also sold corsages on Homecoming Day

Spirit Week Captures Mood of Students

Many people participated in Spirit Week this year. Tuesday was Pajama and Inside-out Day; Wednesday was Jersey, Sunglasses, and Hat Day; Thursday was Nerd, Scum and Hippie Day; and Friday was Cardinal and Gold Day. On Tuesday, the lunch activity was the Egg Toss, won by the Seniors. On Wednsday, the Senior Class won the Junior Class in volleyball, and the sophomores beat the freshmen. Thursday, the Suck and Blow was won by the seniors. On Friday, the seniors won the volleyball finals. The field activities on Friday were the Pie Eating Contest (won by the seniors), the Tricycle Race (won by the juniors), and the Tug-of-War (won by the seniors).

Pulling with all their might, Monique Cozby and Jody Huffaker try to win the Tug-of-War for the class of '91 during the field activities on Homecoming Day.

Plowing through the traditional half-time poster, the Varsity football team comes back on the field leading the Acalanes Dons. These huge posters take hours to make

Dave Martin, Christine Coelho, and Jason Gursky congratulate each other during the Homecom-Dave Martin, Christine Coeino, and Jason Gursky congratuate cach offer during King ing Rally. Their proud parents look on as the Top Ten wait anxiously to find out the Homecoming King and Queen.

Jake Wheeler and Rhonda Gordon head across campus in the nice fall weather. Jake is wearing one of his many hats; in fact, it is rate to ever see Jake without a hat on his head.

Munching down on McDonalds hash browns are Kristy Davis, Tiffany Parsons, and Colleen Vanderpool How did you get off campus to get these delightful little motsels during first or second petiod?

Waiting in line is just part of going to school. These students are in the snack line in the cafeteria complex. These lines really became a problem in the wei weather as they were open to the elements and students got damp waiting for food.

Filling out student emergency cards was just one of the many steps or stations required of students and their parents or guardians at the Walk-thru. For the first time this year, all students and a parent or guardian were required to go through a semi-tegistration process where forms were filled out, pictures taken, bills paid, and yearbooks purchased

Students 'Walk Thru'

Long Lines! The real problem of the Walk-thru was not the stations inside of the cafeteria area but the long lines in the heat outside of the building. Students and their patents were remarkedly parient with the first ever Walk-thru. Parents commented very favorably about the information they learned about the school.

Rally Squad members Susan Snell and Jenni Calandri study together in one of their academic classes. On game days the members of the squad wore their colorful uniforms to school to help raise spirit for the upcoming contests. During the fall months the squad worked hard on rallies, in particular the Homecoming Rally. They spent many hours last summer going to camp and perfecting skills for entertaining the student body. Often the girls stayed after school to work on their routines and practice skits for an up coming rally. On the Wednesday evening before a rally, the entire squad had to come down to the school to have their routines and skits auditioned before Student Activity Director Roy Ghiggeri and a group of judges.

The squad consists of freshmen, jv, and varsity cheerleadets, songleaders, mascots, and yell leaders. These positions are not elected in that the girls must try out before a panel of judges wherein the most talented are then chosen for the honor of representing their school. The girls give up many an evening at both home and away games to cheer on Liberty's teams.

Kendra Blair, Rick Starbuck, and Michelle Stranahan all help at the Walk-thru. They are passing out information about Drivers' Ed, the calendar, and other "tid-bits".

Students use different forms of transportation to arrive at school. After parking their autos these three boys walk onto campus as the young lady pushes her bike.

Are we in a nudist colony? Or are we going to the beach? This is high school? What has happened to out traditions' Don't panie! This is only a shot of the popular Halloween Dance sponsored by the Choir Club. For the last five years the Choir Club has offered prizes for the best costumes. This young man, disquised with a black mask (and not much else), ought to win a prize for courage and daring if nothing else. After all, Halloween is the last day of October and the night time temperatures were not conducive to this type of formal artire. Maybe this goy was in training for the Frozen Buns Run on Bethel Island when it would be "really" cold. This was just one of the many fine costumes students put together for the dance and the judges had a very difficult time in selecting the top three winners. One set of chaperones got in the act as well and came dressed as a butler and a maid. The Choir Club sponsors this activity and many others to taise money for their annual trip. Later in the year the club sold jewelry for Christmas gifts with each student assigned a "quota" to meet. The trip, planned for the spring time, was to be several days long and to Southern California.

Josan Miller and Sean Young share a quiet moment and a friendly hand shake together. For two years Josan had a problem with her first name as the people in the yearbook group kept spelling it Jason because they did not know her. Sean was very active in track in his junior year where he was named most valuable member of our track team. Sean also captured all league honors in track.

Josan Miller is all decked out in a pony tail, old fashioned lettermen's sweater, and Beatles button as she participates in 60's Days during Homecoming Week.

Dressed for the jungle, this female cat is ready to provid at the Halloween Dance. The Choir Club enjoyed an excellent turn our to help boost their treasury.

Yearbook Offers Different Look in Student Life Section

Rick Starbuck and Debby Ann Prenk seem unsure as to which head is which as they test to find out that information.

Tawny Whitener, alias Babe, reflects on life as she reclines in the play "Crimes of the Heart".

It's Ronald McDonald and friends! Not really, it was another of the fine costumes students put together for the Halloween Dance.

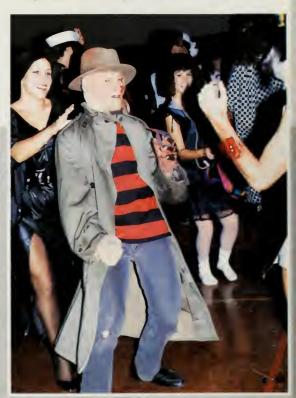

"No Bozos Surfing" proclaims the T-shirt of this student. Some students utilized the free buses transportation provided by the school while uthers used public transport

Danielle Pueblo and Tim Weizel study tugether in Mt. Tim McHugh's Intermediate Physical Science Class. Tim had just swiped Danielle's egg.

Johanna Peterson and Rocky Pompa participate in the Top Ten Skit fur the rally that announced the candidates for King and Queen

Students Show Serious Side Too

Blowing bubbles, Gabe Harmel strolls across campus. The yearbook photographers spent the months of September, October, and the first part of November sneaking around campus trying to get good color candid pictures for the new Student Life section of the annual. Michelle Matsutani, yearbook editor, attended a week-long conference in Sacramento this last summer and used ideas learned there to design these first 11 pages

Danny Baio and his girl friend, Tammy, head off for lunch time. This year all students and staff had a single lunch continuing an experiment from last spring.

Melody Baldwin and Michele Stranahan goof off for the cameraman. Michele and Melody were team mates on the Varsity Vulleyball Team

Mike McDaniels, Rachelle Dias, Christine Coelho, and Heather Hopkins cooperate in an experiment in their Physics class. Taught by Mr. Dennis Buckley, the science classes moved completely out of D Wing this year.

CLASSES

CHANGE! CHANGE! CHANGE! Classes are always in a state of change as few students ever spend more than a year in a single class.

Finishing their four years, the Class of 1988 had some unusual highlights; they were the first class ever to have 11 instead of 10 top boys for Homecoming King, they were one of the few classes who choose a different set of officers for almost every year, they had two advisors for all four years, they were the first to hold their Prom off campus at the Veterans' Hall in Brentwood, they selected the same people king and queen for both Homecoming and Sophomore/Junior Prom and they placed every year in the float competition.

As incoming freshmen, the class was led by Michelle Manko, president; Chris Addington, vice-president; Gina Speer, secretary; and Nicole Pinney, treasurer. The advisors were Mrs. Cathy Dickey and Mr. Tim McHugh. The class sold money to raise money and managed a third place finish in the Homecoming Parade.

Moving up to sophomores, the Class of '88 was led by Lisa Tysinger, president; Jamie Franks, vice-president; Lisa Jungers, secretary; and Chris Addington, treasurer. Mrs. Joanne Nash replaced Mrs. Dickey as advisor, while Mr. McHugh continued to assist. The sophomores moved the Sophomore/Junior Prom off campus for the first time ever and held it at the Veterans' Hall in Brentwood. The sophomores nominated Rose Melgoza, Shannon Rowland, Brooke Lunsford, Michelle Manko and Cathy Priddy as queen candidates with Carlos Ortega, Adam Furlong, Jesse Gonzalez, and Paul Fejes tabbed for king. During the evening Rose and Carlos were named king and queen. The class continued to sell candy to raise money and placed third again in the float competition.

With two years to go, the juniors chose Jason Brown, president; Matt Curtis, vice-president; Anne Gerry, secretary; while Chris continued to handle the money as treasurer. The advisors remained the same in Mrs. Nash and Mr. McHugh. Highlight of the junior year for the Class of '88 had to be winning first

place in the float competition during Homecoming. As if in a rut, the class continued to sell candy to raise more money.

Heading into their final year and the home strech, the mighty seniors selected Jason to serve another term as president; Mark Wadnizak, vice-president; Brooke Lunsford, secretary; and so not to lose the "Midas" touch stayed with Chris as treasurer for the third year in a row. The seniors nominated 10 girls and 11 boys for the Homecoming Court: Rose Melgoza, Heather Hopkins, Katy Ladd, Michele Stranahan, Anne Gerry, Christine Coelho, Brooke Lunsford, Christy Price, Melody Baldwin, and Carmen Martinez for queen with Paul Fejes, David Martin, Aaron Meadows, Jason Gursky, Wayne Gantt, Gerald Blotz, Manuel Misquez, Matt Curtis, Carlos Ortega, Jason Titone, and Dartin Foreman as the king candidates. Rose and Carlos were chosen the 1987 Homecoming King and Queen from this fine field of candidates. Though they only finished second the the float competition, the seniors captured the hearts of the judges and swept the Homecoming Rally out classing the juniors, sophomores, and freshmen. The Class of '88 held their Senior Ball on May 14 at Boundary Oaks in Walnut Creek. Heather Poertner was named valedictorian while Michelle Meadows earned the salutatorian slot; Wayne Gantt was selected as the student speaker as the Class of 1988 bid farewell to Liberty Union High School on June 10, 1988 on Ohmstede Field.

The Class of 1989 was led by Johanna Peterson, president; Wendy Kelsey, vice-president; Tara Clark, secretary; and Chris Calabrese, treasurer. With the departure of both their previous year's advisors, the juniors were in need and Mrs. Larraine Anderson, new to Liberty in the English Department, filled the vacancy with style and determination. With three candy sales, a Christmas candy cane/gram sale and a very successful Prom the class treasury rose from \$80 to over \$1550 in a single year. Placing for the first time in float competition, the juniors grabbed third with "Round up the Dons" as their theme. The Class of '89

eagerly looked forward to June 10 at about 7:30 when they would finally become SENIORS!

In Cross Country, the team enjoyed its first winning season in over five years with big wins coming against Campolindo and Benecia. Outstanding runners were Greg Grebinski, Varsity; and Brent Jordan, Frosh/Soph. Carlos Ortega and Rob Paulson shared the captain award while Greg Grebinski and Alice Krumlinde captured the MVP awards. Greg competed in the U.S. Championship Regionals. "With the loss of only three seniors to graduation, the team should be very strong in '88," remarked Coach Jim Sanford.

With winter's chill coming, sports moved indoors for basketball and wrestling. Led by Coach Greg Chappel and a huge squad of wrestlers the Varsity finished second in league while the jvs were undefeated. The team captured the Lou Bronzan Invitational Tournament in early December. Outstanding wrestlers were

Jason and Mark Gursky, Johnny Rodrigues, Mike Davies, Aaron Meadows, Duane Grabner, and Brian Swisher.

In boys basketball the Varsity finished fourth in league. Lead by MVP, Captain, and First Team All-League, Mark Wadnizak, the Varsity captured the Watsonville Tournament and were second in the Stonebarger Invitational in December. Mark was also named Tournament MVP at Watsonville. Rob Lasher garnered an Honorable Mention in the FAL while Gerald Blotz captured the Coaches' Award.

The junior varsity team shared the FAL championship and grabbed the Antioch Tournament first place finish. Highlights of the season were a 64-58 victory over Pittsburg (undefeated in DVAL play) and a 60-48 pasting of Antioch. The captain award was shared by Bill King and Jason Rodgers. There was a three-way tie for MVP with Ruben Garcia, Bill King, and Mark Jones sharing. Bill was named Antioch Tournament MVP with Ruben, All Tournament. Bill was also All Tournament at Acalances. Coach Marv Fregi remarked, "I enjoyed the fine play by Ruben, Bill, Mark, Jason, and freshman, Nate Raquel; it was a great season!" Numerous times during the season the team found itself on the short end of the point situation but kept their poise and came back to win close ones.

In girls basketball, the Varsity was paced by the outstanding play of Michelle Tamayo who was named second team All-League. Coach Dennis Hitchens nam-

With the weather warming up a little, the teams moved outside for the Spring Sports season. Although hampered by cold, wet, and windy days the track teams still managed to have two representatives earn trips to the coveted State Meet. Sean Young, pole vault; and Michele Stranahan, shot-put; made it to the qualifying trials. Bill Bowers led the East Bay standings in the discus at 171'7" and was the FAL champion; he finished third at the North Coast Meet. Mark Gutino was second at the FAL meet in 100 meters and third in the 200; he also was a member of the 400 and 1600 meter relay teams that placed at the FAL and errips to North Coast. Mark qualified to the North Coast Meet of Champions in the 100 meters. Rick Derrick was second at FAL in the 300 intermediate hurdles and was a member of the winning 1600 meter relay team. At the North Coast Meet of Champions, Rick set a school record in his hurdle event. Sean was the leading pole vaulter in the East Bay with a 14'4" mark (a school record). Sean was a member of both the 400 and 1600 meter relay teams. Tiffany Parsons placed second in the long and triple jumps at the FAL Championships and qualified for the North Coast. Michele placed second in both the shot and discus.

The Varsity team finished second in the league with a 5-2 record as did the Frosh/Soph team. Awards were as follows: Rick and Sean, co-captains; Bill, most inspirational; Mark and Sean, most valuable; Sean, Contra Costa Times Athlete of the Week; Christine Coelho, captain; Emma Steer, most inspirational; Tiffany and Michele, most valuable; Frank Yoda and Carlos Ortega were co-most valuable Frosh/Soph winners. All of the track teams are coached by Mark Johnson and Keith Dawson.

In baseball the Varsity finished second in the league behind the strong pitching of Greg Patterson and super hitting of David Martin. The Varsity took second place at the Minden, Nevada Tournament losing the final game 11-10 in the last inning. Though the Varsity qualified for the FAL playoffs, they dropped a heart-breaker to Benecia 3-2 in eight innings. Coached by Jerry Black and Bob Reed, the awards were handed out as follows: David Martin, co-MVP, First Team All-League, Top Offensive Player, Top Hitter in the League, All East Bay Third Base; Greg Patterson, co-MVP, First Team All-League; Brian Smith, Top Defensive Player, First Team All-League; Mario Quilici, Most Inspirational; Dan Newberry, First Team All-League; Mike Barajas, Second Team All-League; Chad Smith, Second Team All-League David tried out for the All-State Team.

Despite being a young team with inexperienced pitching and plagued with injuries, the jv team solidified during the last few weeks of the season culminating with a season ending "super upset", 4-2 win over a very strong Campolindo team. Co-award winners Kyle Clark and Chuch Mayer were consistent throughtout the year in practice habits, game performances, and overall contributions to the team. Chris Davis led the team with four home runs while Tim Clanin batted .350. The jvs are coached by Rod Beaver.

In softball the Varsity struggled all year to stay in the playoff race and managed to gain a berth with a fourth place finish. Coached by Rich Barrios, the girls faced league champs Alhambra to close out their season. The jvs were coached by Bob Zahn.

Paced by inspired the inspired swimming of Tara Clark and Jill Hampton, the team worked hard all season. The swimming teams are coached by Mary Halter.

The golf team, guided by Alex Aiello, finished the season with a 10-10 record and an 8-8 league mark. They completed dual match play in fifth place. In the league tournament, they did not fare as well completing the 36 hole event with a team score of 935 and 7th place. The high points of the season came in wins against Pittsburg with team totals of 217 and 218, which were team lows for the season.

Finishing the highest ever in the FAL standings, John Renteria's tennis team surprised quite a few of their opponents this spring. John announced his retirement from coaching at the end of the season.

GO LIONS IN '88-'89!!!!

Capturing first place in the float competition highlighted a successful sophomore season for the Class of 1990. Lead by Jeff Carpenter, president; Mike Davies, vice-president; Karen Lindsay, secretary; and Mark Gursky, treasurer; the class members built an awesome float (again on a semi-trailer) with the theme "Devour the Dons" and walked off with first place. With two candy sales, bumper stickers, and a highly successful Sophomore/Junior Prom, the class treasury continued to grow nicely. Combining with the Class of '89, the sophomores turned the cafeteria into a "Mardi Gras" and used it for their theme. Tension mounted before Dana Duncan and Mike Amador were announced as Sophomore King and Queen. Their court consisted of Amy Del Chiaro, Tara Laudenslagen, Sabrina Pelliter, Nicole Souza, Ryan Bell, Jeff Carpenter, Mark Gursky, and John Hancock. The class is in the capable hands of advisors Ms. Marian Canepa and Mt. Dennis Buckley.

The new kids on the block, the Class of 1991 chose Laurie Peters, president, Octavia Poole, vice-president; Shannon Elmore, secretary; and Julie Stranahan, treasurer; as they began their initial year at Liberty. With Mr. Mark Gates as advisor, the class worked hard on a candy sale to raise money. In the spring, they hosted a car wash in front of the school and had fun soaking each other as well as the cars. Also in the spring the freshmen sponsored a highly successful '50s dance. Finding Homecoming a challenge, the Class of '91 worked to a fourth place finish with "Flush the Dons" that featured a delightful giant toilet for thier float. The class found their first year challenging but fun.

Another change hit the campus to impact all the CLASSES when two magnificant lion statues, surrounding a bed of cardinal and gold flowers, were added to the front of the school. GO LIONS!!!

CHANGE! CHANGE! CHANGE!

These words seem to highlight what has happened to our campus in the last twelve months since our last yearbook hit the streets. The newest, major changes started last spring as the heavy equipment moved onto the jv softball diamond at the east end of Nash Hall. Within days the diamond was a dim memory as first the grass was stripped and piled, the ground semi-graded, and then fill was brought in to bring it up to the necessary height. After compacting the fill and waiting for a few days the entire area, less a small part for new lawn, was paved twice. Then the construction started on the foundations for the new bathroom and Home Ec. classroom. With the foundations intact, portable buildings began to arrive in flocks and it wasn't long before there were eight new portables in place; two on foundations and six resting on treated wood on the blacktop itself. Finally it became time to move two trailers (an easy task despite some low tires) and five "not so portable" portables (it was finally decided to move them intact). With the opening of school rapidly approaching, the desperate scramble continued to get the new buildings wired and the fire alarms in and approved. When school opened the new "Portable City" was ready and both the administration and maintenance heaved massive sighs of relief.

The five portables that were not new that were moved were renovated after they were moved and became respectively: the counseling office (P-2), the attendance and vice-principals offices (P-1), and the career center (P-3). The other two portables remained math classrooms but were completely refurbished with new carpet, siding, and paint. The old attendance office became a

staff room for both classified and certificated staff with a fridge and micro-wave available for use.

Change became evident on the campus itself as Mrs. Dorothy Weeks and Mrs. Robin Beck both worked hard to raise over \$400 for new trees. With that money and some donated trees; Mr. Bud Ross and Mr. Rudy Ramirez were kept busy for almost a week digging holes, putting in a soil dressing and deep-watering pipes and planting the trees themselves. Unsafe sections of concrete were removed outside the library and near the gym were removed and replaced with fresh slabs. The benches near the library were refitted with new aluminum seats.

When students arrived on campus in September they were greeted with new unfinished lockers in the Nash Hall. However, by the first of October the new lockers were ready and the congestion was on. Seniors were a little luckier and were given lockers in E and S Wings. Students were forbidden to use the lockers in either C or D Wings. The new lockers were smaller on the

ouside and not as high as the old ones but had almost the same cubic displacement as the ones they replaced.

The Science Department spent a number of days moving chemicals and equipment out of storage areas in D. Wing in anticipation of the rennovation of that wing in September. A trailer was moved next to the T. Portables to house the moved materials. When it became obvious that the state would not have the necessary funds to remodel any of the 30+ year-old buildings, two of the former classrooms were equipped with desks and utilized for the remainder of the school year. The lack of funds from the state kept many projects for change on the back burner including the start of construction on the science wing and vocational complexes.

In an effort to overcome the lack of state funding, the Board of Trustees voted to put a \$10 million bond election on the ballot in June. The bond would be used to buy land in the Oakley area for another high school site, rennovate C and D Wings, and do

other necessary building while we wait for state funds to be freed up or state bonds to pass.

More changes took place on the campus as two new diamonds were constructed and a third was renovated. Using part of the old varsity softball diamond, a beautiful new diamond was laid out and constructed and included fences on three sides. The entire diamond, practice area was redone and reseeded and began to look postively beautiful by April. A new fence was constructed along side the practice area seperating it from the rest of the campus. Another new diamond was constructed next to the football stands and featured a unique oval backstop; this diamond would be utilized mainly for little and peewee league baseball. The old, old varsity softball diamond was brought up to par and utilized as the new jy softball diamond. Red clay was brought in to fill the infields of all five of the diamonds.

Change was evident in the staff of the school as well. Joining the certificated staff: Mrs. Larraine Anderson, English Skills 3, Advanced English 3, English 1; Mrs. Alice Bush, Practical Spanish, English Skills 3, Spanish 1; Ms. Joyce Dellamore, Reading Skills and Special Education Coordinator; Mr. John Gist, Introduction to Biology and Life Science; Mrs. Carolyn McLaughlin, Algebra 100-101, and Algebra 1A; Mr. John Carroll, English 1, English IV, and Speech; and Mrs. Bonnie Tilton, Algebra 100-101, Algebra 100 B/L. Mr. Carroll replaced Mr. Robert Russell in the English Department. Mr. Russell went on leave of absence starting the end of January.

This year Liberty applied for a Distinquished School Award and was visited by a team from the State Department of Education in the Spring. At press time the decision had not been announced by State Superintendent of Education Bill Honing.

There was one major change in administration as Mr. Greg Wright became the new head counselor replacing Mrs. Sue Fortner who was on leave of absence. The other change in administration was Mr. Gerald Hardt replacing Mr. Robert Glenn as Projects Administrator. Mr. Phil White continued as superintendent; Mr. Jack Ferrill was principal; while Mrs. Cathy Dickey and Mr. Mike Schrader were the two vice principals. Board of Trustees continued as Mr. Leonard Gerry, Mrs. Arlene Poerio, Mrs. Joann Byer, Mrs. Susan Hopkins, and Mrs. Barbara Ghiselli. Mr. Maggie Fajardo continued as transportation supervisor while Mr. Bryan Roofe was still supervisor of buildings and grounds. Mr. Larry Anzini became the new cafeteria manager as Mrs. Barbara Clark retired after 22 years of service. With the retirement of Mr. Bill Snow, Mrs. Bev Sadler became the SIP Coordinator as well as continuing as Director of Curriculum and Instruction. One of Mrs. Sadler's major tasks this year was to oversee the rewriting of the SIP plan for the next three years. Mr. Roy Ghiggeri continued to wear three hats as he was Director of Adult Education, Athletic Director, and Director of Student Activities. Mrs. Wanda Lathrope was Business Manager for the District.

Mr. Rob Russell was named a new mentor teacher in Video Coaching while Mrs. Joanne Nash was tabbed as Math Mentor. Mr. Rolla Lewis had his 1-year term renewed for three years and would specialize in the English Department. Mr. Bill Batze con-

tinued as mentor for classroom management and instructional strategies. Mrs. Sadler served as mentor coordinator.

The DC/DC Committee was completely realigned this year and certain department chairs were made members of it. The department chairs are as follows: Mrs. Kaye Axelgard-Reeves, P.E.; Mr. Batze, Social Studies; Mr. Jerry Crawford, Math; Ms. Joyce Dellamore, Special Education; Ms. Virginia Diehl, English; Mrs. Jeanne Glenn, Homemaking; Mr. Glenn, Science; Mr. Robert Gonzalez, Applied Arts; Mr. Don Lopez, Agriculture; Mr. Bill Peters, Fine Arts; Ms. Reta Pirtle, Business; and Mr. Robert Smith, Performing Arts. Counselors were Ms. Julia Arce, Mr. Jerry Black, Mr. Elias Hernandez, and Mrs. Barbara Whitfield.

Yes, change was in the air as Liberty moved towards the 90s and the 21st Century.

'88 LION Theme 'Subject to Change'

1988 has been a year of change for Liberty Union High School, so the theme "Subject to Change" was an appropiate one for the '88 LION. The Walk-Thru, the portable classrooms, the new lockers, and one lunch period are all signs of the change that has come over Liberty. Michelle Matsutani, Editor-in-Cheif, attended a one-week yearbook conference in Sacramento. She came back with new ideas that changed the look of the yearbook. Dark "screens" of color were used in the opening section, and the order of the sections was changed. The ads section was cut down by 16 pages, and the index was also cut down in size.

Adriane Rhodes, Assistant Editor and John Gaudette cuddle bunnies on an ad picture assignment at Halsey's Feed Store.

Phil Hanavan and Nadine Gaudette test during a staff workday. Phil worked on classes and Nadine worked on the senior section.

Jennifer Fraiser and Heather Poertner clearly enjoying themselves on an ad picture day.

Mary Ann Kontogianis worked on the senior section and helped with the collage.

Michelle Matsutani, Editor-in-Cheif, was finally caught on film. Camera-shy, she tried her hardest to avoid Photo Editor Roland Cozby.

Julie Pastor worked on the Sports section. 1988 was Julie's first year on staff.

Mr. Bill Batze, yearbook advisor, gave up many weekends and holidays to work on the yearbook.

Roland Cozby took on double responsibilites as Photo Editor and Computer Technician this year.

Putting together a yearbook is a monumental task that requires great commitment from all the staff. The long hours spent by the staff after school, during weekends, and on holidays are greatly appreciated. To Mr. Bill Batze, we would be completely lost without you. Thank you for everything you have done. To Heather Poernter, Business Manager, we couldn't have done it without you. To Roland Cozby, Photo Editor and Computer Technician, we might have gotten it done without you, but it would have been more boring. To Adriane Rhodes, Assistant Editor, you were always there when I needed you. To everyone else on Annual Staff, thank you for your dedication to the yearbook. To Mrs. Robin Beck, Mrs. Wanda Keeney, and the other certificated and classified staff, thank you.

Michelle Matsutani, Editor-in-Chief
